Welcome to this Super Cute Cape Cod in the desirable elementary feeder pattern of Marshall Elementary!

This home has a lot to offer. You will be delighted by the peace and quiet that you can experience on your rear deck overlooking your rear yard and open space. On the first floor, you will find a nice living area adjacent to the dining room that has sliding glass doors leading directly to the deck. This joins the large eat-in kitchen with a rear door to the deck and yard. There is also a first-floor bedroom that could easily double as an office, along with a full bath. This would fill the need of a first-floor bedroom if needed for your dynamics.

Downstairs, there is a nice family room with a pellet stove. This could be the gathering room, additional living space, hobby room, or man cave, game room- you name it! There is a storage room also, AND a separate laundry/storage/utility room with shelving.

Upstairs, you will find a traditional Cape Cod setup with a primary bedroom, full bath, and another full bath. Let's not forget about the oversized attached 1-car garage with opener and rear door access. An added large detached shed will fit all of your outside needs.
