SELLER'S JOB IS TRANSFERRING

....Experience a one-of-a-kind home, rich in character, thoughtfully updated, and designed for comfortable everyday living. A large, covered front porch with low-maintenance Trex decking sets a welcoming tone. Step through the bold red door into an open living and dining area, the heart of the home, with hard wood floors, recessed lights and crown molding accents. The upgraded kitchen is gorgeous, with an induction cooktop on the island, breakfast bar, and Jenn-Air stainless steel appliances. Sunlight pours into the sunroom, where a sliding glass door opens to the backyard deck. A cozy family room, complete with a wood-burning fireplace and side yard access, offers a second gathering space and includes one of the home's two staircases. Two bedrooms, a full bath, and extra storage complete the main floor. Upstairs, you'll find two additional bedrooms, a linen closet and another renovated full bath. The spacious primary suite features hardwood flooring, dual closets, and a beautifully designed bath with a custom-tiled dual walk-in shower, skylight, and water closet. Conveniently located, the second-floor laundry room includes a new GE Profile washer and dryer. The finished, walk-out lower level provides flexible space for a rec room, home office, gym, or guest accommodation. It also has a full bathroom and a utility room. This home has been freshly painted and comes with custom window treatments. In 2023, a

new electric panel, water heater, and stairwell carpeting were installed. Insulation and ventilation systems were also updated, ensuring peace of mind, and Pepco Energy Efficient Home certification was received. Ground-mounted Lumina solar panels (2024, paid in full) enhance efficiency. Earlier this year, the septic line was scoped and cleaned. The roof was replaced in 2020. Out back, a detached 3-car garage is not your ordinary out-building. You will love the enormous, finished 600 sqft loft on the second floor! It could be a fantastic year-round studio, hangout or office. A new heat pump was installed for this loft in 2023. Set on two acres of land with a fenced yard, there's plenty of space for parking, gardening, play and outdoor enjoyment. This unique property perfectly blends classic charm with contemporary updates and is ready to welcome you home.
