COLUMBIA, Columbia, PA

Beautifully remodeled, there is not a surface of this home that hasn't been touched inside and out. Situated

on a quiet, newly paved street just two blocks away from Columbia River Park and the Susquehanna

River, the location is incredible. Outside, the home features a new metal roof and vinyl siding, along with a

2nd floor balcony and backyard with privacy fence. Inside, the home features 100% new electrical,

plumbing, and mini splits on the first floor, with a ducted system in the attic providing heating and cooling to

each room on the 2nd floor. An electric fireplace provides an ambient glow in the main room, with a

spacious kitchen featuring a granite countertop and new stainless steel appliances. A half bath is next to

the kitchen in the rear room of the house.

Upstairs, there are three bedrooms, and a bathroom with a tub
